

old that has a license to practice as a masseur, and under our particular law at this time, they cannot practice. I would ask that this would be introduced giving the privilege of a 19 year old that has a license to practice, and that is all it does.

SPEAKER: Is this a committee bill, Senator.

SENATOR KENNEDY: Yes.

SPFAKER: All right. Is there any discussion. All those in favor of the introduction of the bill vote aye. Those opposed vote no. This requires 30 votes. The clerk will record.

CLERK: 31 ayes, 2 nays, 16 not voting on the motion to introduce.

SPEAKER: The motion has carried. Is there any more...is there anything else on your desk, Mr. Clerk?

CLERK: Mr. President, the new bills. Read title. LB 511.
Read title. LB 512.

Mr. President, there is a notice of Committee Hearings that the Judiciary Committee has submitted. Read. Reference Committee report--read. Mr. President, there are pending Rules amendments from Senator Duis' Rules Committee that...

SPEAKER: The chair would like to first make an announcement. In the north balcony, we have observing the Legislature 22 Second Grade students from Park School in Lincoln, in Senator Fowler's district. We are very pleased to have you with us and we hope that you are enjoying watching the Legislature. Senator Duis.

SENATOR DUIS: Mr. President, may I ask the clerk, how would you like to take these Rules up?

SENATOR DUIS: Alright, if you are ready then.

The next part of it which is on Page 303 of the Legislative Journal strikes the "Executive Board of the Legislative Council" Legislature because it is not a necessary part of the Rule and on that Page in Section 4, we have added, "Should the rules be suspended to permit a vote upon a resolution it shall be considered adopted only by a affirmative vote of the majority of the elected members." That's 25 votes. I may tell you that this is the Rule that Senator Luedtke, if he has my attention, has proposed and with your permission, I would let you go ahead or do you want me to proceed. Then we go on down to Section 5 and it says, "The clerk shall hold all resolutions" and the new part of it is, "not otherwise disposed of". This is rather lengthy, complicated affair here, and we are trying to deal with these
